World & Continental Championships & Major Events 2021

All events are subject to review due to the global Covid-19 pandemic

World Assaut Championships & General Assembly

The 2020 World Assaut Championships, due to take place in September, were postponed to 2021, and have now been cancelled to avoid infringing the calendars of the continental confederations. FISav plans to organize an official World Open in Assaut and Canne de Combat in Weiz, Austria, in July 2021. This will be followed by the World Combat Qualifying Tournament. The FISav General Assembly should also be held in July. We will continue to monitor the Covid-19 situation and to keep the safety and well-being of our athletes and other participants as the highest priority.

Continental Championships 2020 - 2021

The Asian Championships, the European Combat Championships, the European Youth Championships and the Pan-American Championships of 2020 were all cancelled due to the Covid19 pandemic. We wait for confirmation of the dates of the 2021 editions.
